SUBJECT: Notice of City of Houston Contract Award Recommendation

RE: Request for Proposal (RFP): S10-T24384 for High-Capacity Fiber Circuit Services for Various Departments.

To Whom It May Concern:

This correspondence serves as notice that the City of Houston has completed its review of all proposals submitted in response to the above-referenced RFP. Please be advised that after careful examination and review of all proposal(s), the evaluation committee has determined that both, **Phonoscope Light Wave, Inc. and AT&T Corp.** were the two best respondents to this RFP. Therefore, subject to successful contract negotiations, **Phonoscope Light Wave, Inc. and AT&T Corp.** will be the recommended contractors to City Council for the contract awards of High-Capacity Fiber Circuit Services for various departments.

However, please be advised that in the event negotiations with the recommended contractor reach an impasse, the City of Houston reserves the right to open negotiations with the next highest qualified respondent(s) to the RFP. Additionally, all unsuccessful respondent(s) to the RFP will be afforded the opportunity to request a debriefing after City Council approves the contract award. Finally, please be reminded that there should be no written or oral communication with any member of the RFP evaluation committee, appointed or elected official, employees of the City of Houston and their families, or City staff in an attempt to persuade or influence the outcome of the contract awards.

We appreciate your interest in wanting to do business with the City of Houston and encourage your continued interest in all future procurements. Should you need additional information, please contact Greg Hubbard at (832) 393-8748.

Regards,

A handwritten signature in black ink, appearing to read "For Calvin D. Wells".
